Dear Sir/ Madam,

Subject: AMENDMENT TO TERMS OF AGREEMENT EFFECTIVE FROM 01 APRIL, 2025

Your daily water consumption is currently serviced by American Premium Water Systems, ensuring a healthy, hydrated, and balanced lifestyle. We are pleased to have been serving you for years, overcoming hurdles and challenges together in unison.

Following the economic recovery after the 2022 crisis, we, like many other businesses, continue to face increasing operating costs while maintaining our commitment to quality. Challenges such as inflationary pressures and regulatory requirements have significantly impacted our operations. At American Premium, our dedication to service excellence remains unwavering. To sustain these efforts, it is necessary to implement a pricing adjustment.

After carefully analyzing the situation, we are reluctantly compelled to increase our water price by **LKR 10/- excl. taxes** per bottle. This change shall become effective for deliveries from **01 April, 2025** and invoiced from **01 May, 2025**.

We have made every effort to avoid this price revision, but it has become necessary. We trust you, as our valued customer, will continue to consume our water which shall be served to your doorstep in excellence. If you have any queries in this regard, please feel free to reach out via our Cool-Line on 117-677-100.

Thank you for your continued trust and support

Very truly yours,

.....
